Rainy Day?

Make it a Fun Day with these Great Ideas

Just because it's cold or rainy outside doesn't mean you can't have some fun! Here are Max's suggestions for indoor activities:

At Home

- Jigsaw puzzles
- Arts and Crafts
- Board games or cards
- Bake cookies; with help from a parent of course
- Write a family or neighborhood newsletter
- Help with cleaning and other chores; possibly earn some extra money, too!

Field Trips

- The local library
- Science museum
- Bowling
- A discounted matinee movie (morning or afternoon show times)

Time for Summer Savings

Super Savings Tips for MoneyKids

The first official day of summer is June 21. What do you have planned for your vacation? Chances are no matter what you're dreaming of it's going to require some cash, so set your goals now and watch your savings grow! Here are some ideas from other MoneyKids on what you might want to save for:

- Spending money for vacations or camp
- Music CDs
- Video games
- Toys for the pool
- Trips to the water park
- Tickets to the movies

Remember, when you put your allowance, gift money and earnings in your MoneyKids account instead of keeping it at home, you'll be less tempted to spend your money and your savings will grow faster.
